Subject: **Frakass Sunday June 29th**

Frakass is a new audio visual night, drawing on the finest musicians from Liverpool's Avant-Garde, combined with musicians from across the globe. Frakture is Liverpool's foremost free improvisation and experimental music organisation. Celebrating its tenth year, it is branching out to establish a monthly side project Frakass. Born out of collaboration with The Magnet music venue, one of the city's most significant and established venues.

Frakass aims to create an arena in which experimental music and the visual coalesce and envelope the audience for a complete sensory experience. Frakass will be held at The Magnet, 45 Hardman Street on the last Sunday of every month.
